

My Animal Project on _____

Topic 1: Where it lives:

Look for things like:
What continent or country?
What kind of habitat?
What type of home?
Does it live alone or in a group?

Topic 2: What it looks like:

What color is it?
How heavy is it?
How big or small is it?
Unique features?
Is it covered with fur, feathers, scales, or ?
Describe the teeth.

Topic 3: What it eats:

Try to find out these things:
Is this animal a carnivore, a herbivore, or an omnivore?
Name some of the specific foods eaten by your animal.

Topic 4: Interesting Facts:

IDEAS:
How long does it live?
Can it do something unusual?
How fast is it?
What are its enemies?
