INTRODUCING CELLS

Directions: Choose "All the Good Stuff", then choose "Science". Scroll down to the section called "Cells and Micro-Organisms" in the Fifth Grade column and choose the 1st link "Introducing Cells." Use parts 4, 7, and 8 to complete this chart.

Animal Cells	Discover and write about the major parts of animals cells below:
a. cell membrane	
b. cytoplasm	
c. vacuole	
d. ribosomes	
e. lysosomes	
f. mitochondria	
g. nucleus	
h. chromosomes	
Plant Cells	Discover and write about the major parts of plant cells below:
a. cell membrane	
b. cytoplasm	
c. vacuole	
d. ribosomes	
e. chromosomes	
f. mitochondria	
g. nucleus	
h. chloroplasts	
i. cell wall	
j. lysosomes
